

# Kyle (Kage) Grace

Being

## About Me

A man passionate about lights, colour, sounds, breath, movement, touch, taste, smell, and energy.

A strong background in business consulting and technical analysis for Enterprises.

Looking for opportunities to work with lights, visual displays, and events.

Intelligent, an excellent writer, embodied speaker, task driven, bubbly people engager, and an excellent team player.

## Unified Ascent

We've existed since Time began and we'll continue across Space forever.

This is our opportunity to Live!

Developed a framework for approaching topics that cause conflict and unnecessary suffering in the world.

Exploring the opportunity to unite One and All in our Human Race.

## Experience

### Events

Employed, volunteered and attended events of all different types and flavours, in a variety of roles around the world – particularly passionate about dance, movement, electronic music, live music gigs, and outdoor festivals.

### Administration

Leadership positions as Director, President, Secretary, Project Management, and Analyst in many different organisations and industries over many years.

### Technology

World class experience defining and solutioning corporate applications in complex environments and infrastructures.

### Coach

An outstanding theorist, with phenomenal breadth of experience and an ability to compassionately understand issues from a variety of angles. Confidently coaches and mentors for business, government, religious, spiritual, personal, and relationship topics.

### Hospitality

Worked primarily in front-of-house roles including host, waiter and bartender for a range of restaurants and events.
